Song of the Day: 'Sheena Is a Punk Rocker' by Josie Cotton

Went to set this Instagram story of an ad for the Museum of Sex's "Punk Lust" exhibition to the Ramones classic then noticed IG has the Josie Cotton version, which is included on her recently unvaulted third album, "Everything Is Oh Yeah." A lot of it has a nice rockabilly feel to it -- Brian Setzer co-wrote a handful of songs to great effect -- but this cover showcases Josie at her punky best!
