American singer **Josie Cotton**, best known for "Johnny Are You Queer?" and "He Could Be the One", have teamed up with Kevin Preston (currently playing guitar in Green Day), for a cover of **Chuck Berry's** "Trick or Treat".

Prima Donna at Mill City Nights (01 Sep 2013)

Kevin Preston is from **Prima Donna**, who we saw in [Sep 2013](#) and wrote, "Opening up for Adam Ant was Prima Donna. The Los Angeles-based band was last in Minneapolis with the Dollyrots, but this

time on a bigger (and nicer) stage at the Mill City Nights. They were a little on the glam rock side, but that's good. Their set was mostly taken from their 2012 album Bless This Mess, with the exception of "Soul Stripper" from their debut After Hours, a new song called "Like Hell", and a cover of Leon Payne's "Psycho"."

"Trick or Treat" is fun, and catchy, if not short, and there is a little bit of a small dialogue between the two singers. Adds Josie, "Hopefully we've made a perennial Halloween song you can't get out of your head, whether you like it or not! LOL!"
